

Ligonier Valley Library Newsletter - January 2012

Food for Thought Cookbook Club

Our newest book club is for foodies who love to read cookbooks and try new recipes. You don't have to be an experienced cook or have a gourmet palate to enjoy this group! If you like to eat, read and have fun with friends, this club is for you...and it's free!

The club meets bi-monthly on the last Monday of the month starting at 6:00 p.m. The first meeting will be held on Monday, January 30th. It is a potluck meeting. Bring your prepared recipe and a place setting.

We have selected Ligonier Valley Library's own cookbook as the first title. Stop in the library and select a recipe from this cookbook if you want to participate this month. It is on display at the front desk. Register your selection (so no one else brings the same dish). **Pre-registration is required for each meeting.** Prepare your recipe at home, then bring it to the meeting to share with the other participants.

Call the library at 724-238-6451 or check our web site for additional details.

GADGET GROUP

Gadgets (mobile electronic devices) are everywhere and they come in all sizes and styles. Our new Gadget Group is an informal networking group that meets on the last Thursday of every month beginning at 6:30 p.m.

Come and share your expertise or come to find answers to your gadget questions. Several library staff members will be on hand to answer questions about borrowing e-books.

Bring your gadget with you!

Interested in learning more about gadgets, but don't actually own one? Join us!

First meeting is Thursday, January 26 at 6:30 p.m. in the community room. No registration necessary.
