

# Kindle eReaders

## **You will need:**

- a Kindle paperwhite ereader connected to WiFi OR a USB cord
- a computer connected to the Internet
- a Westmoreland Library Network card
- an Amazon account

## **Searching for and borrowing a book:**

1. Use your computer, smartphone or tablet to go to <http://westmoreland.lib.overdrive.com>
2. Click in the search box (in the upper right corner) and type the title or author of the book you want to download.
3. Click the cover of the book you want to download.
4. Click "Borrow." (If the ebook is checked out by another user, the button will read "Place a Hold." Click this if you want to be notified by email when the ebook is available to checkout.)
5. Enter your library card number
6. Click "Download."
7. Click "Kindle eBook."
8. Click "Confirm and get Kindle book."
9. Click "Get library book."
10. Sign into your Amazon account.
11. Select your Kindle from the dropdown menu. If your Kindle Paperwhite is not connected to the Internet, select "Transfer via Computer" and connect your Kindle to your computer using the USB cord provided. Follow the directions provided by Amazon to complete the transfer of your eBook via USB.
12. Click "Continue." You should see a message that states your ebook will be delivered the next time your Kindle is connected to WiFi.

## **Reading a book:**

Your book will appear on your Kindle home screen. Tap the cover to open and read the book.
